

Community Indoor Rescheduling Requests

NO reschedules of games are permitted.

You are required to play all games as scheduled.

However, we will take into account any tournaments that teams are entering in **BEFORE** the schedules are completed. Tournaments are the only permitted reason for rescheduling. We will try our best not to schedule games when the teams are in a tournament. IT IS NOT GUARANTEED that you will get the requested time off. For tournament reschedules, you are limited to requesting a maximum of 2 tournaments per season. If you have to travel for your tournament outside of the province but inside Canada, an allowance of one day prior and one day after the tournament is allowed. For International tournaments, total of 10 days (travel and tournament dates, inclusive) will be allowed. For local tournaments in the province, you can only request days off that are in direct conflict with the tournament dates.

Coaches must send an email, listing their teams' name, age group, gender, division and the dates of the tournaments that they will be entering in for the entire season. If EMSA does not receive an email by the deadline then the team will be expected to show up on their regular scheduled game date regardless of whether they are in a tournament or not. If they don't show they will forfeit the game. NO EXCEPTIONS. It is mandatory that you put all tournament dates you are interested in attending in the email, even if they do not fall on your regular playing day as playing dates are still subject to change. Please note that tournaments are the only reason accepted for reschedules. **You will receive a reply back once your request is received. If you do not receive a reply, it means that we have not received your request so please send it again before the deadline or we will not accept your request.**

EMSA will NOT be scheduling any league games during the COPA Pre Season Tourney, Polar Cup, North Zone Memorial Challenge, Family Day weekend or Slush Cup. You do not need to submit time off requests for those tournaments.

Community Teams Deadline for Requests: Wednesday, Sept 23 by 12:00pm
