

1. Login to the portal.
2. Click on the Teams Tab.

3. Your team will then populate below the heading, if you're on more than one team click into the dropdown box to find the proper team.
4. PLEASE DO NOT CLICK ON THE VIEW TEAM BUTTON. That will be removed soon.
5. Click on the Team Roster Heading.

6. Then your roster will appear (this team only has one team official on it for example)
7. This is where you can download your rosters, player cards (printable) and download player cards (mobile)
