

Technical Directors/Trainers

- Teams are permitted to have one (1) technical trainer per game in the technical area/on bench.
- The technical trainer can be added as a 5th team official on the appropriate line of the game sheet.
- The technical trainer must have a special printed PINK plastic card from the EMSA office which is shown to the ref.
- The technical trainer's name and card number must be written on the game sheet on the proper titled line in the team official's section.
- The technical trainer is permitted to take over the team if there are no other team officials present.
- Technical trainers cannot be listed on the bench attendant line.
- The Technical Trainer must be noted on an approved list kept by the EMSA Main office before they participate in any games.
- Any cautions or red cards issued to the Technical Trainers will result in the same Discipline dispensed to the Team Officials.

Technical Directors who forget their I.D. card or cannot show it in electronic or printed format are NOT PERMITTED to be put on the game sheet under the bench attendant section instead. As a Technical Director you **MUST** have your card (or an electronic/printed version). There are NO exceptions to this and NO other forms of I.D. are accepted.
